

MIT Alumni Association Energy Related Programs & Initiatives

Ad Hoc Committee on Energy, Environment, and Sustainability

A committee of the Alumni Association Board of Directors, collaborating with MITEI to recommend programs and projects that engage alumni/ae who are passionate about energy, environment, and sustainability with MIT faculty, students, and projects and with each other with a goal of reducing consumption of hydrocarbons and accelerating the mitigation of climate change.

Online Resources

Landing Page <https://alum.mit.edu/learn/initiatives>

LinkedIn Group: To connect with fellow alumni with similar career interests, there is a subgroup of the official MIT Alumni Association group on Linked In. To join the discussion, energy-interested alums should first be sure they have a LinkedIn account and they are a member of the official MIT Alumni Association group: <http://www.linkedin.com/groups?gid=69586> Once you are an approved member of the Alumni Association group, you can join the subgroup at <http://www.linkedin.com/groups?gid=2099356>
