Christine K. Kornylak  
Paul T. Oppold  
Jessica Ramirez  
Dominic A. Ricci  
Jennifer J. Won

### Class Officers

*President*  
Quinn E. Goldstein  
*Vice President*  
Dennis Rivera  
*Treasurer*  
Michael A. Barboza  
*Secretary*  
Jennifer A. Milligan  
*Webmaster*  
Jessica Ramirez  
*Class Agent*  
Anand Devendran

### Reunion Gift Chair

Shuja U. Keen

Fall 2008

Dear 1999 Classmate,

Shine your brass rat and start making plans for our 10<sup>th</sup> reunion in 2009!

Tech Reunions is the largest annual gathering of MIT alumni on campus—don't miss the fun! Start planning now to celebrate with us **Thursday, June 4, through Sunday, June 7, 2009**. Reconnect with classmates, visit your favorite old spots, and tour new innovative facilities. If you live near MIT there's no excuse not to join us. If you live further away, now is the best time to come back to New England and enjoy Cambridge and Boston. There will be something for everyone—we'll provide great social events, bring you back to the classroom, and entertain your family. Here are some highlights:

- |                  |  |
|------------------|--|
| Thursday, June 4 | Attend the 112th annual Tech Night at the Pops. MIT buys out Symphony Hall!  |
| Friday, June 5   | Explore what's new at MIT with tours and activities during the day and socialize with your classmates at night at the MIT10 reception and our class-specific event!                        |
| Saturday, June 6 | Learn about cutting-edge research from MIT's great faculty during Technology Day. In the afternoon, our class enjoys the Tech Challenge Games before attending another Class of '99 event. |
| Sunday, June 7   | Start your day right with the Reunion Row and Class Connections Farewell Brunch.   |

Tech Reunions also feature programs for your family. Kid Tech provides fun and education the MIT way for children ages 6–14 on Friday and Saturday. Friday's tours include family-friendly options like the amphibious Boston Duck tours and a Charles River cruise, while Saturday's program includes activities on Kresge Oval for young children and their parents and the annual Tech Challenge Games.

Visit <http://alum.mit.edu/reunions> for more details about the schedule and accommodations. Hotel rooms sell out quickly so book early. Registration information will be available in March, including details about dorms, which are much more

affordable than hotel rooms. Please note that children under the age of six are not allowed to stay in MIT dorms. Here's what you can do now:

- **Contact classmates!** Reunions are about people—the more the merrier! Reach out to your friends and encourage them to attend in June. You can find their phone numbers and email addresses on the Infinite Connection Online Alumni Directory at <http://alum.mit.edu>.
- **Join our Facebook group:** I'm going to my 10th Year Reunion (MIT '99) <http://www.new.facebook.com/group.php?gid=41507792408&ref=mf>
- **Update or register for your Infinite Connection account** at <http://alum.mit.edu/>. You'll need your Infinite Connection account to register online for Tech Reunion in the spring.

We need your help to ensure a successful and memorable weekend. We are recruiting committee members to be involved and engaged in the planning and marketing of our reunion activities. If you would like to contribute to planning out reunion, please contact me or Elena Lee, our class representative at the Alumni Association. You can reach her through email at [elenalee@mit.edu](mailto:elenalee@mit.edu) or by phone at 617-253-4547.

I also welcome your questions or comments. Your participation is needed to make this reunion our best yet! We hope you will join us for a wonderful Class of 1999 10<sup>th</sup> reunion weekend.

Quinn E. Goldstein '99  
Class President
