

MIT Alumni Association Energy Related Programs & Initiatives

Working Group on Energy, Environment, and Sustainability

A committee of the Alumni Association Board of Directors, collaborating with MITEI to recommend programs and projects that engage alumni/ae who are passionate about energy, environment, and sustainability with MIT faculty, students, and projects and with each other with a goal of reducing consumption of hydrocarbons and accelerating the mitigation of climate change.

Online Resources

Landing Page <https://alum.mit.edu/learn/initiatives>

LinkedIn Group: To connect with fellow alumni with similar career interests, there is a subgroup of the official MIT Alumni Association group on Linked In. To join the discussion, energy-interested alums should first be sure they have a LinkedIn account and they are a member of the official MIT Alumni Association group:

<http://www.linkedin.com/groups?gid=69586> Once you are an approved member of the Alumni Association group, you can join the subgroup at <http://www.linkedin.com/groups?gid=2099356>

MIT Sustainability Summit, Friday, April 23, 2010

Alumni Groups, Events and Activities

January 6, 2010: Professor Ernie Moniz, MIT Club of Washington DC
<http://alumweb.mit.edu/clubs/washingtondc/events/Moniz2010.html>

January 9, 2010: Fun and Bucks: Harvesting Energy from Sun, Wind, Biomass and Water, Caltech/MIT Enterprise Forum, <http://www.entforum.caltech.edu/upcoming.html>

January 19, 2010: Engineered Nanostructures for Efficient Electrical Energy Storage Devices -- A New Type of Battery? Professor Joel Schindall, MIT Club of San Diego <http://alumweb.mit.edu/clubs/sandiego/>

January 19, 2010: Energy Speaker and Luncheon, Jack S. Siegel, President, Technology and Markets Group, Energy Resources International (ERI), Inc., MIT Club of Southwest Florida, <http://alumweb.mit.edu/clubs/sw-florida/>

January 20, 2010: CleanTech: Will Green Return the Green? MIT Enterprise Forum of the Northwest, <http://www.mitwa.org/>

January 26, 2010: Smart Start: Energy Companies, MIT Enterprise Forum of Cambridge, <http://www.mitforumcambridge.org/>

February 9, 2010: MIT Club of Boston Seminar Series, Redefining Sustainability, Professor Richard Locke, <http://bostonclub.mit.edu/events/>

March 16, 2010: View from the Top, Focus on Energy, Northern California, <http://alum.mit.edu/learn/MajorEvents/ViewfromtheTop/>

March 24-26, 2010: Global Startup Workshop, Conquering the Economic Crisis with Innovation, Entrepreneurship, and Green Energy, Reykjavik, Iceland <http://www.mitgsw.org/index.php>

March 26, 2010: Climate Change Speaker and Luncheon, Professor Kerry Emanuel, MIT Club of Southwest Florida, <http://alumweb.mit.edu/clubs/sw-florida/>

April 7, 2010: MIT Club of the Delaware Valley, Professor Daniel Nocera on Solar Energy, <http://www.mitdv.org/>

May, 2010: MIT Clubs of Dallas and South Texas, Professor John Fernandez on Sustainable Energy Systems

May 4, 2010: MIT Enterprise Forum, Global Broadcast, in cooperation with the Clean Energy Prize and NStar, <http://mitenterpriseforum.org>

June 4, 2010: MIT Reunions, Panel on Energy Initiatives <http://alum.mit.edu/networks/Classes/TechReunions/>

Spring 2010: MIT Club of Northern California, Professor Joe Sussman on Intelligent Transportation Systems

Spring 2010: MIT Club of Minnesota, Professor Penny Chisholm, Author of "Living Sunlight"

Spring 2010: MIT Club of Puget Sound, Professor Don Sadoway on batteries and efficient use of Energy
