What are the best features of the TA's teaching:

- “Clearly explains things and makes it easy to understand
- “Approachable”
- “Ask for volunteers to mix it up”
- “Breadth of knowledge”
- “Ability to explain topics in multiple manners”
- “Knows info”
- “Quick responses to questions”

What would you like to see changed in the TA's teaching:

- “More ‘practice problems’ with solutions would be helpful. In this case what are ‘great examples’ of graphs that we should emulate? Why are they great?”
- “More examples”
- “Nothing at this time.”
- “Maybe improve handwriting on HW comments ☺”
- “Personally, I could use more one on one time.”

Other Comments:

- “Great overall.”
- “It's a very good supplement to the lectures. Thanks!”
- “Great job!”
