Lambda Lunch Spring Gala
June 18ᵗʰ, 9 AM to 2 PM.   **Auditorium, Bldg. 549, Frederick**
                                   Draft schedule

Access to Frederick campus: All NIH people can come in the OLD FARM GATE in the morning off Rosemont Avenue (exit from Rte 15) **providing they have their PIV card.**

Non-NIH attendees: Bring a picture ID (drivers license)! Enter at the Nalin Farm Gate off of Oppusumtown Pike which is the next exit beyond Rosemont going North. You go a couple of miles on the Pike and turn left into the Gate.   This gate is on the opposite side of campus from the Rosemont gates so you have to work your way back to Bldg 549.
Emergency phone contact: Madeline Knoebel 301-846-1225 in emergency to get people into the Fort on the 18th of June.

9:00-9:30: arrival, posters to be set up.
9:30 AM -10:00: Jeff Strathern, "RNA errors: detection and consequences"
10:00-10:30: Aneesh Arimbasseri (R. Maraia lab) "Mechanism of Transcription Termination by RNA Polymerase III Utilizes a Non-template Strand Sequence-Specific Signal Element."
10:30-10:45: Break/
10:45-11:15: Cari Vanderpool (U. Illinois) "Cryptic Prophage Genes Influence Host Metabolism and Cell Division."
11:15-11:45: Roger Hendrix (U. Pittsburgh) (TBA)"
Lunch and poster break: 11:45-12:45
There is a cafeteria available in the building where we will meet.
12:45-1:15: Robert Washburn (ME Gottesman lab, Columbia) "Coupling and Uncoupling Transcription with Translation
1:15-1:45.Misha Kashlev "Genome-wide analysis of transcription pausing and fidelity in E. coli."

End at 2 PM.
