

MIT Class of 1974 Cardinal Red Blazer Order Form

Alumni attending their 50th Reunion are distinguished by wearing gray slacks and a beautiful cardinal blazer, bearing a detachable and intricately stitched MIT breast pocket crest. The classic 55% poly/45% worsted wool hopsack, fully lined blazers are a rich cardinal color and come in a two button, center vented style for men, one button non vented for women. Slacks are a tropical weight gray machine washable, non wrinkle poly/viscose blend for men, and a machine washable, non wrinkle poly/rayon blend for women. The blazer and cuff buttons, normally generic gold blazer buttons, are also available in gold plate with a red and gray Mens et Manus insignia.
