November 2011

Dear Classmate,

Break out your red jacket! Our 65th Reunion fast approaches.

Now is the time to start making plans to return to the MIT campus for Tech Reunions weekend, June 7–9, and continuing with our class trip to Salem, MA, June 9–12. Reconnect with classmates, visit your favorite student haunts and learn what’s new on campus. There will be something for everyone—Tech Night at Pops, the Cardinal and Gray Academy, the Technology Day program, and an array of social events. And for the Salem days we have developed an enjoyable and undemanding program.

The Tech Reunions schedule of general events has already been set. Here are some of the weekend’s highlights:

Thursday, June 7

• Attend the 115th annual Tech Night at Pops. MIT buys out Symphony Hall for a private concert with a special guest performer!

Friday, June 8

• The Cardinal and Gray Academy, Breakfast and Luncheon, takes place during the day. Members of the MIT community will be featured lecturers.

• The Cardinal and Gray Annual Dinner Dance. Enjoy a cocktail reception followed by dinner and musical entertainment at the Hyatt ballroom.

Saturday, June 9

• Learn about innovative cutting-edge research from MIT’s leading faculty during Technology Day.

• We will leave Cambridge for the historic Hawthorne Hotel in Salem, MA.

Sunday, June 10–Tuesday, June 12

• The committee is planning a tour or two as well as other group and individual activities for each day that should be enjoyable for all.

• We have arranged for a traditional New England lobsterbake at the Corinthian Yacht Club in nearby Marblehead for Sunday evening. On Monday evening we will gather for a farewell dinner at one of Salem’s finer restaurants. We will breakfast together at the hotel before departing on Tuesday morning.
Reunion registration will open in March, with the option to sign up either online or by mail. But here’s what you can do right now:

- **Help find missing classmates!** The Alumni Association does not have a mailing address for the enclosed list of classmates. If you know the location of and contact information for any of these classmates, please reply using the enclosed envelope or email alumnirecords@mit.edu.

- **Fill out and return the enclosed survey** so that we can make this year’s reunion the best yet!

- **Reserve your hotel room.** Cardinal and Gray alumni are encouraged to stay at the Hyatt Regency Cambridge. Detailed information is available on the enclosed insert. Hotel rooms tend to sell out quickly so reserve as early as possible. For those preferring more affordable accommodations, you will be able to reserve MIT dorm rooms when registration opens in March. Single rooms (one twin bed) and double rooms (two twin beds) will be available.

- **Update your information or register for your Infinite Connection account** at http://alum.mit.edu. You can use this account to register for reunion events online beginning in March, as well as to search for classmates using the Online Alumni Directory.

- **Contact your friends!** Reunions are about people—the more the merrier! You can find phone numbers and email addresses in the Online Alumni Directory at http://alum.mit.edu/.

For questions, please contact me at cwrenner@alum.mit.edu, or Mary Ward, our Alumni Association staff partner. You can reach her through email at meward@mit.edu or by phone at 617-253-7558.

We welcome your questions or comments. Your participation is needed to make this reunion our best yet! We hope you will join us for a wonderful reunion weekend.

Claude W. Brenner '47
