Dorm Details

If you will be staying in an MIT dormitory during Tech Reunions 2010, please note the following:

- Dorm check-in is 3:00 p.m. and check-out is 11:00 a.m.
- Access to dorms: A dorm desk captain will be available at your assigned dorm until midnight to check you into your room. After midnight, dorms are locked. If you will be arriving after midnight, but before reunion registration opens, go to your assigned dorm, call 617-253-1500 (3-1500 on the campus phone), and ask the operator to page Unit 12 to send them to the dorm. Campus Security will assist you with dorm access. If possible, please notify the Alumni Association in advance at 617-253-8824 if you will be arriving after midnight.
- Accommodations in the dorms are not luxurious, and there are no private bathrooms. Dorm housing consists of a twin bed (single) or two twin beds (double). Towels, sheets, one blanket and pillow are provided. Please bring anything else you might need (alarm clock, washcloth, hair dryer, extra hangers, a fan, etc.).
- In most dorms, bathrooms are co-ed. Bring a bathrobe and slippers!
- Room assignments: While we do our absolute best to accommodate specific room requests, dorm rooms are assigned by the House Managers just one or two days before Tech Reunions. It is not until this time that they know which rooms are available in a dorm.
- Coin-operated laundry facilities are available.
- Dorm rooms, dorm common areas, and other locations on campus have wireless access that can be used by alumni. Learn more at http://web.mit.edu/ist/topics/network/dhcp.html.
- Dorms are not air-conditioned.
- Seniors (our newest alumni) will be moving out of their rooms that weekend.
- Children under age six are not allowed to stay in MIT dorms.
